

St. Boniface Hospital is pleased to present,
St. B Hive, its annual cultural exhibition and artisan sale
celebrating Manitoba Culture Days

Friday, September 27th, 2019!

St. Boniface Hospital recognizes the benefits of the arts in health and healing, and its impact on the fabric of daily life and the community as a whole.

Admission is free...Participate and enjoy! All activities will take place in the Everett Atrium, St. Boniface Hospital's main entrance. Also located within the Everett Atrium is La Boutique - Gift Shop, retail food Marché, Robin's, Shoppers Drug Mart and the Buhler Gallery, showcasing visual art and open to all patients, visitors and staff at no charge.

Events are planned for September 27, 2019. The Everett Atrium will be transformed into a hive of cultural activity to include music, art and dance for all to enjoy. St. B Hive 2019 entertainment and activities is to be announced.

All net profits from the St. B Hive will be directed to the Hospital's Auxiliary, which supports patient care and employee projects.

FAQ

What is St. B HIVE?

St. B Hive is a cultural exhibition and sale to celebrate Manitoba Culture Days. St. B Hive aims to provide excellent exposure of arts and culture within the province of Manitoba and the community in which St. Boniface Hospital serves.

When is the St. B Hive held?

The St. B Hive will start buzzing on Friday September 27, 2019. The Everett Atrium will be transformed into a hive of cultural activity to include music, art and dance for all to enjoy. The hive will be active from 8am to 5pm.

How do I apply for the St. B Hive?

You are welcome to submit an application anytime. We are open to receive completed applications from local artisans of Manitoba specialty foods, creative crafters, and cultural groups. Applications reflecting our St. B Hive theme are encouraged as well.

How much does a space cost?

Each space cost \$100.00

What is included in the cost of the space?

A room for a 6 ft wide table and approximately 2 ft. for each side with 5ft deep. We do not provide tables, but you can rent one for \$10.00 from us. You may use your wireless device throughout the Hospital in non-patient care areas. Pay-per-use wireless internet is available through MTS in the Everett Atrium only. The fee includes power outlet if required, marketing materials of the event and advertising of your business on our web and through social media.

Are there certain items that I cannot sell?

As a health care facility, the St. B Hive does not support the sale of non-established wellness cures & treatments and used items. We do not accept 3rd party vendors or anything of a commercial nature.

Are there presentations that may be deemed inappropriate?

We encourage all cultural and artistic groups to apply. Selection will be based on St. Boniface Hospital's best interest and those of its patients, visitors and staff in keeping with our mission and values.

It will be my first time to apply to the ST. B Hive cultural exhibition and sale, and I may be worried about the cost, can I split my booth with a friend?

We do not allow booth splitting.

How does the selection process work?

The selection and decision will be based on the six photos and application you submit. You may want to include any websites or social media accounts. Photos must be suitable for St. Boniface Hospital and social media sites.

What is ST. B Hive looking for in a vendor or presenter?

We are looking for independent artisans and creators of unique quality products reflecting cultural and local influences likely to be of interest to a wide audience of patients, visitors and employees.

I engage in a food/café business, can I apply?

You can be part of the St. B Hive if you are selling food that will not be consumed on site. You may submit an application for food to be consumed on site, and will be contacted directly by the St. B Hive Manager prior to acceptance.

What is the deadline to apply?

There is no deadline for application and interested vendor can start sending application with us by email or in person. Vendors will be notified if their application has been accepted or not.

How can I apply?
